This report describes results of our analysis of the sample or samples of biological materials provided by you and described herein. Merial warrants only that it has applied its best commercial efforts to the determination of the presence and identification of specific alleles of bovine genes in DNA from the sample(s) provided herein to Merial from you. Merial provides no other warranty of any kind, whether express or implied, (including, but not limited to, all warranties of merchantability, fitness for a particular purpose, title, noninfringement, or that any other allele is or is not present in any sample or any animal). Results of analysis are predicated on the assumption that each sample was obtained from a single cattle beast. Results of analysis are reported herein in association with the sample designations provided by you. Merial assumes no responsibility for correctly identifying a particular animal as the source of any sample. Merial assumes no legal liability or responsibility for the accuracy, completeness, reliability or usefulness of any information disclosed in this report, nor does Merial represent that its use would not infringe privately owned rights. In no event shall Merial or its agents or officers be liable for any damages whatsoever (including without limitation, damages for loss of profits or business interruption, or any indirect, special, punitive, consequential or incidental damages) arising out of the use of the results and information provided herein, even if Merial has been advised of the possibility of such damages.
