If you like sound, feminine, attractive, big bodied kind of females, this donor, Heges Zahra is the place to look. She is a many time champion, winning Champion Cow/calf at the 2014 Eastern States Exposition, Supreme Champion at the Brooklyn Co Fair in 2014, and 2nd in class at the 2014 Keystone International Livestock Exposition. Her daughter, HFSC Bali is also a many time champion alongside her mother and alone as 2015 Champion Simmental at the ABC Jackpot Show, 2015 Reserve Champion Simmental at the PA Beef Expo and Reserve Champion in 2015 at the Eastern States Exposition. The first calf of this mating at Zahra's side was Reserve Champion Simmental at Brooklyn Co 2016 at only 5 months of age! Don't miss out on this mating to add style, big bodied type of females to your show string. Remember, there is a big potential for red to come out of this mating, going back to Zahra's sire, Harker's/JS Domination and heterozygous Broker.

Smooth made and easy doing are words that come to mind when I think of this Upgrade daughter. She is long bodied and carries her depth from fore rib to flank. I admire how correct she is through her shoulder and into her neck. She is extremely long strided when you get her into motion and fills in her track with ease. This is the kind of heifer I hate to sell but I am confident she will make a good addition to a new breeding program.

Here is a heifer with plenty of potential as a cow, but with a cool profile as well. If you aren't familiar with the Shrek bull, he tends to throw a lot of hair, bone, super good tops, and pizzazz in heifers. This one is no exception.

Due 10-28-16 to W/C United 956Y. Opportunity is knocking for a top notch bred heifer from our Sim-Angus Navigator donor, purchased from the Hudson Pines. Chan Phillips described Lady Prime as a female with tremendous structure under all four corners, long sided with loads of internal dimension while staying complete and balanced. She was named the NAILE Division VI Champion Heifer and Denver Senior Calf Champion. AAS Tomorrows Upgrade B06 should produce an elite calf with tremendous show ring appeal, power and dynamic phenotype. She is bred to W/C United 956Y. United's maternal portion of his pedigree is tremendous. Take advantage of this opportunity to add this line of genetics to your breeding program. Due 2-13-17 to CCR Wide Range (2725666). If you are looking for a solid cow then Belinda is the one for you. Her pedigree features some of the best cow families on both sides. You have to admire this female for the amount of bone she carries and yet still moves very well. She is due in February to CCR Wide Range.

Due 3-22-17 to Longs The Player. This half blood cow is one that is just hitting her prime. She did a awesome job with her first calf by W/C Lock Down which we are retaining in the herd so it is possible to sell this female and let her work for her new owner. She is so smooth made and sound on her feet and legs. One reason I did not really want to sell her is she is safe to Longs The Player which was a huge hit at the 2016 NWSS but we just can not keep them all. I feel that this is a cant miss mating.

AI bred 6-12-16 to W/C Lock Down (2658496) and PE 6-15-16 to 8-1-16 to SVJ Blk Track C221 (3143639). This blaze faced female is one I decided to sell last minute. She is only 4 years old and ready to work for you. If you study her pedigree she is out of a top notch navigator cow and her sire goes back to queen of hearts I think everyone remembers that breed matron. She has done a great job for us the last 2 years and now its time to let someone else reap the benefits of this cow.

HEIFER CALF

Heifer calf born 8-1-16 out of ACC1 Hustler . This young first calf heifer is sired by the immortal Remington Lock n Load. Her dam stood 8th overall at eastern regionals in 2010. This young baldy cow has a neat little baldy heifer calf at her side that is sure to grab everyone's attention. It would be nearly impossible to write a pedigree any better than this young cow has. If you are in the market for a young female that is sure to make you money don't miss, Miss Pistol and her little coupon at her side.

HEIFER CALF

Heifer calf born 8-4-16 out of SVF/NJC Built Right N48 . Tara is a well-built, solid black Trademark daughter that has pedigree to burn. Her maternal siblings have topped sale after sale over the last couple of years. She is in the prime of her life with an outstanding heifer calf at her side by Built Right, whose semen is becoming harder and harder to find. This little heifer calf is nearly guaranteed to pay for the pair, if you choose to sell her. I'm confident most people would choose to keep her because she is sure to hang many banners for her new owners.

Heifer calf born 3-15-16 out of FBF1 Combustible. Cow bred 5-10-16 to MF Rising Star (2649436). Excellent 3 in one lot that will make a quality addition to any herd. The cow is a 5 year old Hummer daughter that consistently raises a nice calf. She is solid black, moderate framed, great milking, super easy fleshing and bred back to Rising Star, the Grand Champion of the 2014 Farm Show. One of her previous daughters sold here as a bred heifer and commanded a price of \$4400. The Combustible heifer calf at her side is a definite show prospect. Eye appealing and flashy with just enough chrome to get your attention.

A. HEIFER CALF

Heifer calf due September 2016 out of STF Shocking Dream. Take a close look at this cow/heifer calf pair. The cow is a consistent producer of quality calves. We originally purchased her to be used for a recip, but quickly decided to breed her instead. She has produced for us a number of high-quality calves of which we are retaining her 2015 heifer in our breeding program. She is halter broke, quiet, an easy keeper, and a consistent producer with a lot of longevity; the kind of cow that will produce a quality calf year after year. Her September 2016 heifer calf by STF Shocking Dream, will sell at her side. STF Shocking Dream has produced numerous calves who have performed well in the ring. He is Homozygous black - Homozygous polled. This cow calf pair will be one that you will want to check out on sale day.

Walk Off is a half blood bull we showed this summer and he made a name for himself, being named Grand Champion Percentage Simmental at the WV State Fair. We have kept many females out of this family and the bulls are the first selected when buyers come to the farm. We have had great luck using Silveiras Style for calving ease and Walk Off should be no exception. He is kid broke and has a great personality.
