TRUCKING Buyers...Please contact the consignors to discuss the most economical trucking available.

Charlie Thomas • 336.575.5461 Bryan Wyatt • 423.240.5533

HERD HEALTH All cattle will have interstate health charts required for shipping into other sections of the United States. All Bred females will have been pregnancy examined.

PURCHASER'S RISK Each animal becomes the property of, and therefore the risk of the purchaser as soon as sold. It shall be the obligation of the seller to see that animals are fed and cared for (free of charge) until loaded for shipment or until the expiration of 24 hours after the sale, whichever occurs first.

INSURANCE Insurance for your purchases will be available sale day at the clerk's desk through Jamie Secondino, American Livestock • 812.208.0956

NOTE All persons who attend the sale do so at their own risk. Neither the owners nor the sale manager assume liability legal or otherwise for any accidents or loss of property. As the sale manager, DP Sales Management is only an agent for the seller and has no responsibilities other than those involved in conducting the sale.

SALE TERMS & CONDITIONS All buyer numbers will only be issued with a valid ID and payment is due day of sale. DP Sales Management, LLC would appreciate timely settlement of receivables within 15 days of date of sale. Any person not complying with that guideline will be pursued legally. Cattle will not be transferred until paid for in full.

We all know that this spring has been very tough on all Americans. COVID-19 has affected all of us and our daily lives. Due to COVID-19 and in the best interest of the health of all attendees, the Virginia Beef Expo event has been **CANCELLED**.

We invite you to log onto www.dponlinesales.com to view the offering in this catalog and to bid on them in an online format. The sale will open on Friday, April 17th at 8AM EST and will go into extended bidding on Saturday, April 18th at 8PM EST. Photos and Videos for sale lots will be added to the online sale as they become available.

The cattle will be ready at their respective farms just as they would be if they made the trip to Harrisonburg. If you are able, call the consignors to set up a time to look at the cattle while remaining compliant to social distancing standards. The cattle will be ready to be picked up or delivered following the sale from the farms. Please contact the consignors to arrange trucking with them. We do have some long distance trucking lined up, please see their information across the page. The cattle will have health papers and all necessary health requirements will be completed.

We encourage you to set up your account on DP Online Sales as soon as possible, so if you have any questions we can answer them. If you are uncomfortable bidding online, you can leave a phone bid through DP Online Sales; please feel free to contact us.

This is not how the consignors nor DP Sales Management wanted to execute the 2020 Virginia Simmental Spring Sim-Sensation Sale, but due to the cards dealt all of us; we all felt this was the best way to market these genetics in the current situation. Please do not hesitate to contact the consignors, Chad Joines, Charlie Thomas, or DP Sales Management/ DP Online Sales concerning the 2020 sale offering. We will see you back in Harrisonburg in 2021. Stay safe, wash your hands, and stay home when possible.

Doug Parke

McDonald Farms Pick of 2019 Simmental & SimAngus™ Heifers

McDonald Farms is honored to donate the PICK of the 2019 Simmental & SimAngus Heifers from our operation to benefit the American Simmental/Simbrah Foundation to support the 2020 Fall Focus. This year's Fall Focus will be hosted by the Virginia Simmental Association in Roanoke, Virginia. The purchaser will need to make their pick by April 30, 2020. If you are able, we invite you to come look at the heifers, or we can supply a list of registration numbers of the heifers. Call for complete spreadsheet.

TJ 21Z is a cow that an always dreamed of owning for my small program. In my line of work I get to see and work with many good donor cows... After viewing the Triangle J catalog we felt we need to own this one. This Sim Angus donor cow is super fault free being deep, with a big bold rib, perfect udder and loaded with eye appeal. As Darby Line said this is one of his best footed cows. Study the IMF scores and you will see how impressive 21Z is for elite carcass genetics. The year we purchased 21Z Triangle J son 7 Bounty sons and all did well. Select between genetics sired by Franchise or Relentless. Sell with all the proper guarantees. 21Z is homo black and homo polled.

Dream Girl is one heck of a cow that puts many balanced pieces of the cowman's puzzle. One thing for sure there is no line of genetics from Virginia that has many more money than H25 and B80. Then after that the list and generations goes on and on in programs across the U.S. Dream Girl is a crowd favorite of many being a Sim Angus sired by DCC New Look. CCR Stockman is sired by Wide Range going back to Brilliance and back to the In Dew Time donor 4045, the dam of Cowboy Cut. Primary Candidate the past many champion should produce some exciting baldies. Let me know if you need someone to implant the eggs.

The Rita 6M45 is a donor that continues to do an excellent job for Koal Cattle Co and Barlow Farms. This is excellent and her EPDs. She has an outstanding group calves by Cowboy Logic and out of several other sires. You have the opportunity to purchase embryos out of the Relentless, Engineer, and Cowboy Logic. This a great way to into some great genetics. Just talk to Dennis or John they give you their take on this awesome donor. The embryos sell with the proper guarantees. Eggs have been purchased by Southern Cattle and Ridgeland Farms. Take 3, 6, or 9.

Executive Order daughters are in high demand and this one sure doesn't disappoint. Melania comes straight off of our show string, where she has already earned several division titles. She combines a very powerful yet maternal look. Melania is big boned, square hiped and fancy. Her dam, TX Danica was one we had a lot of fun with and has turned into an awesome cow. Have some fun with Melania on the tan bark, but be prepared for her to rise to the top of your cow herd.

Kasey will grab your attention on sale day. She has been a standout since birth and is as equally impressive on paper as she is on foot. Uno Mas females make tremendous cow and she descends from the H25 cow family on her dams side. Kasey has an enormous amount of body and thickness and stands on hugh bone. She is structurally sound and impressive when you get her on the move. Kasey was successfully shown and was reserve champion bred and owned Simmental heifer at the State Fair of Virginia. Don't miss your opportunity to own this front pasture female. Kasey sells bred to NMA Aviator and is due to calve this spring.

This is a heifer that is very eye catching. She is well balanced and complete and gives an outstanding show ring look. Her combination of depth of rib and still remaining feminine through the front one third of her body gives her a unique look that is challenging to construct in a purebred female. 76G's dam, SS Baylie who we purchased from Sloup Simmentals, was a force in the show ring with a Grand Champion win at the 2015 Ohio State Fair. This heifer goes back to the HPF Misti cow family, which has been making it's impact in the Simmental breed for Gerdes Show Cattle for many years. Buy with confidence, this is a unique breeding piece for any operation.

Super excited to offer this high quality purebred female. Jasmine is a Mr. HOC Broker grand daughter and her pedigree is the deepest in our herd. We purchased a package of embryos from Joshua Kastel that produced her mother, and this is her first calf. Her grand dam is the great Meyer 734 donor OWC Rachel who has produced countless champions, herd sures and outstanding replacement females across the country! Jasmine is a good as you will find on stout, square hipped, big ribbed and most importantly sound footed. She is backed by some of the most maternal and sought-after genetics you will find. When you are done showing her, put her in the field and let her go to work for you. She sells Halter broke!

Don't miss this one she has brood cow prospect written all over her. Sadie is a heifer everyone can appreciate she is a super deep bodied female with tons of volume. When you study her on the move, she is as sound and elegant as you can make one. It is obvious this gal is built for the long haul. Backed by purebred Angus female that is nine and continues to raise high quality females. These SimAngus females are becoming more and more popular across the country. You get the best of both worlds with this awesome heifer. Bid with confidence! She sells halter broke.

This female stems from our previous donor STF Adamant AS45. She is a beautiful made female that we probably should have shown. G616 has plenty of rib, muscle and femininity on a sound structure. Her dam is a thick, soggy made kind of cow and feel she will be the same. We are confident G616 will turn into the front pasture cow you'll just love.

This is definitely one of our favorite breeding pieces raised this year and one that's hard to part ways with. Talk about a heifer with tons of center body and a three-dimensional shape throughout her ribcage. Along with all that cow power, she tracks wide while maintaining a soft and athletic stride. Currency calves have made their way to the top of our lists within the past year and we believe these heifers will make great cows. We were fortunate enough to have a Currency daughter selected by Hartman Cattle Company that brought 40,000 in their annual sale. 72G shares the same cow family as another one of our consignment's in the sale "DSC Full of Grace 81G" and we believe they both have outstanding potential. With this outcross pedigree, the breeding options are endless. *Consigner reserves the right to one flush, minimum of six embryos, at the consignor's expense and the buyer's convenience.

SHOW HEIFER DELUXE! One word... wow! 81G has stood out since day one and has been a favorite of many this winter. It is truly hard to build one with this much power while still being athletic in motion. This is a heifer with massive cow power from the ground up but still maintains a feminine, eye catching show ring look. The grandmother of this female (302X) was a featured lot in Ratcliff's annual production sale and has been a top producer on the farm year after year. A perfect heifer for a first-time showman or an experienced one... she's in a fun age division and built for success. Don't miss out on this incredible opportunity.
